VANAN ONLINE SERVICES, INC. DBA VANAN HEALTHCARE EXPANDS, POSITIONED FOR GROWTH IN 2018

Orange, VA - Vanan Online Services was originally founded in India in 2011 as an online services provider specializing in transcription, translation, captioning, subtitling and more. In 2016, the company established their US headquarters in Locust Grove, Virginia, with just a single employee. Today, Vanan Services continues to deliver outstanding value, and has been joined by Vanan Healthcare. The company now has four full-time employees, and four commission-based employees due to growth in demand for the firm's expertise in handling medical billing and transcription, as well as additional services, including denial management, payment posting, physician credentialing, electronic claims submission, and more.

On April 13, 2018, Vanan Healthcare officially announced an expansion of the company's Virginia headquarters as the company positions itself for growth in the current year and onward. Vanan Healthcare has officially expanded its physical infrastructure, and is positioned for exponential growth, with new contract partners, platform automation, and additional value-added services.

To date, Vanan Healthcare has invested over \$200,000 in office infrastructure including equipment and software to automate their platform. This is part of the company's drive to boost efficiency and to eliminate the potential for human error.

- The company is focusing on several key areas moving forward, including expanded medical billing services, developing in-house BDEs (business development experts), and the deployment of an in-house client relationship team working out of the company's Virginia office within the next six months. Case study creation and publication will also be made available as part of Vanan's service offerings to clients.
- Vanan Online services Inc. & Vanan Healthcare will be included in the federal government's "preferred/recommended vendor" list, which will be published in the fourth quarter of 2018.
- To support the company's growth and development, Vanan Online Services, Inc. has partnered with Virginia Community Bank.

Vanan Healthcare delivers vital services for doctors' offices, medical clinics, Group practices and other clients in the medical industry with a strong focus on HIPAA compliance. Vanan is also a Certified HIPAA Privacy Security Expert.

Vanan Online Services offers services for Legal, Business, Banking, General, Medical, Academic, Media and all major industries.

"We're very proud of our growth to date," explained Saravanan Nagaraj, CEO of the company. "However, we're also excited about what the future holds, and the strategic partnerships we are forming. Vanan Online Services Inc.'s & Vanan Healthcare's growth shows no sign of slowing."

James K. White, Chairman of the Orange County Board of Supervisors noted, "I am happy that Vanan Healthcare has chosen Orange County, VA for its headquarters location and look forward to the seeing their continued growth and success."

Vanana's story has overall been one of success and expansion.
